- "Use of Genuine Canon Accessories Recommended" Leaflet
- "Canon Customer Support" Leaflet

Optional Accessories

The following camera accessories are sold separately. **Some accessories are not sold in some regions.**

Flash

High-Power Flash HF-DC1
This attachable supplementary flash can be used to capture photographic subjects that are too distant for the built-in flash to illuminate.

Power Supplies

AC Adapter Kit ACK-DC10
This kit lets you power the camera from any standard household power outlet. Recommended to power a camera for an extended period of time or when connecting to a computer.

Battery Charger CB-2LV/CB-2LVE
An adapter for charging Battery Pack NB-4L.

Battery Pack NB-4L
Rechargeable lithium-ion battery.

Other Accessories

SD Memory Card
SD memory cards are used to store images recorded by the camera.
Canon brand cards are available in 128 MB and 512 MB capacities.

Interface Cable IFC-400PCU
Use this cable to connect the camera to a computer, Compact Photo Printer (SELPHY series), or to a Bubble Jet printer (refer to your Bubble Jet printer user guide).

Stereo/Video Cable STV-250N
Use this cable to connect the camera to a TV or VCR (Playback with stereo sound is possible).

Component Cable CTC-100 (2.9 m (9.5 ft.))
Use this cable to connect the camera to an HDTV.

Direct Print Compatible Printers

Canon offers the following separately sold printers for use with the camera. You can produce photo quality prints quickly and easily by connecting the printer to the camera with a single cable and operating the camera's controls.

- **Compact Photo Printers (SELPHY series)**
- **Bubble Jet Printers (PIXMA series)**
